## *Payment Methods*

---

Before paying, please read our terms and conditions. We ask that you follow the payment schedule outlined below unless prior arrangement has been made with Wind Horse. It is preferable that the group organizer/leader collects group member payments and wires one transaction each for deposit and final payment to limit transaction fees.

When making payment, please make sure you include your trip code in the transaction details. Please notify us by email that you have made your payment. We will confirm your payment has been received as soon as possible.

Payments can be made by direct wire transfer, Paypal account, credit card (through Paypal) or cash or credit card in person in Lhasa (if booking in Lhasa.)

Please notify us of your method of payment and request our Paypal account details by email if using Paypal.

NOTE: If using Paypal a 4% transaction fee is levied on your payment. It is recommended that direct wire transfer is used for larger payments to keep your transaction fees to a minimum.

If the trip price changes due to an increase or decrease in participants (Based on the tiered pricing outlined in your quote) the difference will be refunded or owing.
